ABOUT COURTENAY DEHOFF

Courtenay DeHoff is a dynamic force in the world of agriculture, serving as the executive producer and co-host of the acclaimed digital series "Backroad Cowgirls." Known for her vibrant storytelling and advocacy, Courtenay brings to light the diverse voices and experiences within the agricultural community. Her work focuses on connecting rural and urban audiences, emphasizing the vital role of agriculture in our everyday lives. With a strong commitment to education and outreach, Courtenay has empowered thousands to share their agricultural stories and engage with the industry on a deeper level.

HIGHLIGHTS OF THE EVENT:

Explore STEM Careers: From farming and ranching to agricultural business innovations, students will discover a wealth of career pathways in science, technology, engineering and math.

Hands-On Activities: Participate in engaging exercises that foster connections with ag-related groups and careers and network with key industry players like Oklahoma Farm Bureau, Oklahoman Cattleman's Association, and more.
